

# MEETING JESUS AT HOME

Given our inability to gather for VCS as usual this year, ELPC is bringing Vacation Church School to YOU! Students enrolled in Vacation Church School will receive a box of activities, YouTube demonstrations, and maybe (hopefully!) even opportunities to check in with friends and teachers remotely, as together we explore stories of people who have encountered Jesus in amazing ways in their own homes! You can do these activities together during the last week of June, or you can spread them out over the summer.

Please complete one registration form per family per house. This will help us be in touch and ensure your family has all the supplies it needs to have a successful Vacation Church School at Home.
